

WINTER 2018 NEWSLETTER

HAPPY NEW YEAR!

We hope that your New Year has been off to a great start and you will enjoy much success and happiness in the coming year.

As a resident of Green Lake Mobile Home Community let's make Green Lake Mobile Home Community the nicest community with the nicest residents and the nicest homes and yards in the area!

2018

Make sure your heat tape is plugged in and working! It should be plugged in at all times to prevent any water line freeze up issues. Also mark on your calendar in September to have your heat tape checked to insure it is working properly, so you are prepared for the brutal Wisconsin winters each year!

WATER LEAK UPDATE

Many of you are aware of the water leak issue we had in the park that took a good deal of time to locate. This leak was causing a loss of 18,000 gallons of water per day! It was finally located and fixed.

During this process we also installed multiple curb stops to the main water lines in the park. So in the future we will have the ability to shut down only the small section of the park that is being worked on, compared to having to shut off water to the entire park as in the past. This will be a benefit for everyone involved on future water line repairs.

LOT #25 AVAILABLE

If you know someone or hear of someone who has a Tiny Home or RV and is looking for a home for it, we can help. Lot #25 has electric, water and sewer hookups in place. Have them contact the Property Manager, Jeremy at 920-539-6960 for details.

IF THEY ARE APPROVED YOU WILL RECEIVE A \$50 CASH BONUS WHEN THEY MOVE IN!

WE NEED YOUR EMAIL ADDRESS

In order for us to properly notify residents of Green Lake Mobile Home Community of such occurrences as water shut offs for repairs, upcoming street repairs or other incidents that affect our residents we need your email address in order to notify you. This is the only process we will use to alert you to such events.

Please go to stevenshomesandcommunities.com and click on the button located on the right-hand side of the home page that reads "Sign up for Park Alerts". Here you will be able to provide your email address and update your phone number so we have this important information when needed. Thank you in advance for your cooperation.
